MEMORANDUM CIRCULAR

NO. 2012-18

TO : ALL PROVINCIAL GOVERNORS, CITY AND MUNICIPAL MAYORS, ARMM REGIONAL GOVERNOR AND DILG REGIONAL DIRECTORS

SUBJECT : AVAILABILITY OF THE BOOK "CLIMATE CHANGE IN THE PHILIPPINES" IN THE DILG WEBSITE

The Department of Science and Technology (DOST) thru the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) published the book "Climate Change in the Philippines" which can serve as guide to decision-makers in strategic planning and policy formulation. The book contains climate information such as changes in temperatures, rainfall and frequency of extreme weather events. This information can be used in planning for and implementing climate change adaptation.

To facilitate the dissemination of this publication, the Department has uploaded/posted the book in its website in the Reports and Resources Section (<http://dilg.gov.ph/ReportsResourcesArchive.php>) under the sub-group **LGU Guides**. You can download the electronic copy (in PDF format) of the book. The book is also available in the PAGASA website at http://kidlat.pagasa.dost.gov.ph/cab/climate_change/main.html.

For your information and guidance.

By Authority of the Secretary:

AUSTERE A. PANADERO

Undersecretary for Local Government
