Sir:

This refers to your letter seeking opinion from this office whether it is necessary for you to secure a travel authority from the municipal mayor in case you will travel outside from your jurisdiction.

Please be informed that nowhere in the Local Government Code of 1991 (R.A. No. 7160) that necessitates the approval of the mayor before you can travel outside your jurisdiction and within the country.

We hope to have clarified you on this matter.

Very truly yours,

fy
