DATA CAPTURE FORM

SEAL OF DISASTER PREPAREDNESS

City/Municipality: TRENTO Province: AGUSAN DEL SUR
Region: XIII Date Accomplished: 06/25/12

Instruction: For 2012, priority for SDP assessment is on flood with focus on local governments located along the 18 major river basins. Kindly answer the questions in this Form by ticking appropriate boxes and write the means of verification. If means of verification are not provided, positive responses may not be considered. You need to compile the required supporting documents for verification

I. Leadership Structure

1. Local Disaster Risk Reduction and Management Council (LDRRMC)

1.1 Is the LDRRMC organized through an Executive Order or Resolution?

Yes ☒ No ☐

1.2 If Yes, determine the LDRRMC Composition

Yes	Partial	No	Composition
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	LCE as Chair
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Heads of Departments, i.e., P/C/MPDC, LDRRMO, Social Welfare and Development Office; Health Office; Local Agriculture Office; Gender and Development Office; Engineering Office; Veterinary Office; and Budget Office
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Division Superintendent of Schools, DepEd
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Highest Ranking Officer assigned in the area, AFP
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Head, Local PNP
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Head, Local BFP
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	President, Local Liga Ng Mga Barangay
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Representative, Philippine National Red Cross
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Representatives (4), Accredited CSOs
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Representative, Private Sector

Means of Verification: Write EO or Sanggunian Resolution No. _____ Date and Date

- EXECUTIVE ORDER NO. 01
SERIES OF 2011

2. Local Disaster Risk Reduction and Management Office (LDRRMO)

2.1 Is there an LDRRM Officer appointed or designated in the LDRRM Office?

☒ Yes ☐ No

2.2 If Yes, determine the LDRMM Office Functional Structure

functional structure

Yes	No	Staff Responsible for:
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Administration and Training
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Research and Planning
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Operations and Warning

Means of Verification: Write EO or Sangguninan Resolution No., Title and Date

*ORDINANCE NO. 0012 - 2010
ORDINANCE CREATING THE LOCAL DISASTER RISK
REDUCTION & MANAGEMENT OFFICE OCT. 20, 2010*

3. Is there an Incident Command System?

☒ Yes ☐ No

3.1 If yes, determine compliance with basic requirements of the Incident Command System based on NDRMC Memo Circular dated March 28, 2012.

f

Yes	No	ICS Requirements
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Organizational Functional Structure - should illustrate organizational structure with specific functions for each unit and provide clarity in reporting relationships. ✓
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Resource Management - should identify resources available like personnel, teams, equipment, supplies, and facilities available or potentially available for assignment or allocation.

Means of Verification: Write source-document title and date published

FUNCTIONAL BUT NOT PROPERLY DOCUMENTED

4 Is there a Disaster Operations or Emergency Center, or its equivalent?

☒ Yes ☐ No

Means of Verification: Photo of the Disaster Operations Center as a proof of its existence. Write specific location and date when the photo was taken.

*MANOIS CONFERENCE ROOM - JEMP,
PENDING COMPLETION OF THE BUILDING FOR
DISASTER OPERATIONS CENTER*

II. Guide to Action

1. Risk Assessment and Mapping

Yes	No	Risk Assessment and Mapping	Means of Verification (provide data)
✓		1.1 Flood prone barangays, identified	Ratio of flood prone barangays: (e.g., 10 out of 20 barangays) 8 out of 16
✓		1.2 Population and families at risk for flood, identified	Ratio of population at risk: 9 out of 100 Ratio of families at risk: 9 out of 100
✓		1.3 Vulnerable or marginalized individuals identified (e.g., poor, elderly, women, children, or differently-abled persons, ethnic minorities)	Number of vulnerable or marginalized individuals: 4,653 *TO BE VERIFIED
✓	NA	1.4 Identified community assets that are susceptible to the damaging effects of a flood, e.g., physical, social, economic, and environmental factors such as poor design and construction of buildings and inadequate protection of assets	Provide sample of a community asset identified at risk (state its nature and location): ASSESSMENT-UNIQUE CONDUCTED
✓		1.5 Hazard Map for Flood, available COINATE, EARTHQUAKE & LIQUIDATION MAPS	Write the source of map and date acquired: MPPC/DENR
✓	H	1.6 Vulnerability maps, available, e.g., susceptible community assets, marginalized individuals	Write the source of map and date acquired: TO BE SOURCED BUT FROM DENR

(Other Means of Verification. Write the title(s) of source-document(s) used

- MPPC/DENR.

2. Institutionalized Planning and Budgeting

Yes	No	Institutionalized planning and budgeting	Means of Verification
<input checked="" type="checkbox"/>	<input type="checkbox"/>	DRRM Plan, approved	Plan Title and Date Approved: - FIVE (5) YEAR FLOOD PLAN - APRIL 28, 2017
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Contingency Plan for Flood, available	Plan Title and Date Approved: - TO BE FORMULATED - INCLUDED IN THE PLAN
<input checked="" type="checkbox"/>	<input type="checkbox"/>	DRRM and Climate Change Adaptation activities funded in the Annual Budget	List at least two DRRM and/or CCA activities with corresponding amount: 1. DETERMINATION OF HIGH RISK AREAS - ₱ 300,000 2. CONSTRUCTION, REPAIR & MAINTENANCE OF DAMAGED ROADS - ₱ 1,000,000

III. Disaster Preparedness

1. Technical Competency

1.1 Percentage of Emergency Response Teams trained (those that are created and trained by the provincial, city or municipal government)

☒ 100% ☐ 76-99% ☐ 51-75% ☒ 1-50% ☐ 0% or Unknown

Means of Verification

- No. of Emergency Response Teams created -
- No. of Emergency Response Teams trained -
- Activity Title and Date(s) conducted

4. Provide photos - ON FILE

1.2 Simulation exercise(s) conducted as part of the skills training for the Emergency Response Teams.

☒ Yes ☐ No

Means of Verification: Photos of simulation exercises. Write location and date when the photo was taken.

- PHOTOS ON FILE
- PROVINCE - SARAS / FINE DRILL
- MUNICIPALITY - FINE DRILL (MBFA)
- EARTHQUAKE DRILLS - SCHOOLS

1.3 Presence of a Guide for Emergency Response Teams, specifying protocols and duties and responsibilities

☒ Yes ☐ No

Means of Verification: Write document title and date published, approved or adopted

* FUNCTIONAL BUT NOT DOCUMENTED

2 Community Awareness

2.1 Presence of a Flood Evacuation Guide for families

☒ Yes ☐ No

Means of Verification: Write document title and date published or approved

* FUNCTIONAL BUT NOT DOCUMENTED

2.2 If the answer to question 2.1 is Yes, determine the mode of dissemination.

Yes	No	Mode of Dissemination	Means of Verification
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Radio	Write the name of radio station, radio program and date aired: - 91.7 FM RAPID - KALIKASAN
<input type="checkbox"/>	<input type="checkbox"/>	Local T.V. Program	Write the name of T.V. station, program and date aired:
<input type="checkbox"/>	<input type="checkbox"/>	Newspaper	Write the name of the newspaper and date published:
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Website	Write the URL or website address where the message is posted:
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Community orientation or distribution of the Guide to households	Write activity title and date conducted Provide photos

posted

3. Contingency Planning

3.1 Early Warning System

3.1.1 Rain or water level gauges or visual markers, operational

☒

Yes

☐

No

If Yes, briefly describe the gauge or marker being used and state its location

MAIN PGMC OFFICE

3.1.2 Audio signaling devices, operational

Yes

☒

No

☐

If Yes, briefly describe the audio signaling device(s) being used

- HANDHELD ALARM
- CELLPHONE

Partingaw

3.2 Evacuation Alert System (this system gives an alert as to when the evacuation operation should take place. Rain or water gauges, visual markers and audio devices are to use to give the signal. For example, level 5 in the visual marker for water level and three times honking of sirens are signs for evacuation)

Yes

☒

No

☐

If Yes, briefly describe the Evacuation Alert system adopted by the local government

- HANDHELD ALARM
- CELLPHONE

3.3 Local Policy on Forced or Pre-emptive Evacuation enacted

Yes ☒ No ☐

Means of Verification: Write Sangguninan Resolution or Ordinance No., Title and Date

ORDINANCE NO. 0012 - 2010

3.4 Stockpiling and Equipping

3.4.1 Non-perishable goods and items (e.g., canned goods and beddings) for disaster are available in stock

Yes ☒ No ☐

3.4.2 Disaster equipage, available

Yes ☐ Partial ☒ No ☐

Note: If answer to question 3.4.2 is Partial or No, determine disaster equipage needed (refer to Attachment 1). The list should only be accomplished by local governments which passed the Level 1 Assessment or got a Performance Index of "4".

Means of Verification: Pictures of goods, items and disaster equipment taken. Indicate date when the picture was taken, and location of goods and equipment

- MAYOR'S CONFERENCE ROOM - TEMPORARY
PERIODIC COMPLETION FOR PERMANENT STOCK
ROOM

- Present (please see attachments)

IV. Partnership, Volunteerism and Innovation

1. Has the local government established partnership with other local governments and/or national governments for DRRM and emergency response purposes?

☒ Yes ☐ No

Means of Verification: Write MOA or MOU Title and Date and briefly explain areas of partnership

- NPA
* MCB SUPPLIES
* GNOCEMBS

Executive Order No. 01
Series of 2011

**ORGANIZING THE LOCAL DISASTER RISK REDUCTION AND
MANAGEMENT COUNCIL (LDRRMC) THIS MUNICIPALITY**

WHEREAS, one of the policies of Republic Act 10121 is (P) provide maximum care, assistance and services to individuals and families affected by disaster, implement emergency rehabilitation projects to lessen the impact of disaster, and facilitate resumption of normal social and economic activities;

WHEREAS, to effectively response and to provide emergency services and public assistance in times of disaster;

NOW THEREFORE, I, **JOHNMARK C. BILLANES**, Municipal Mayor of Trento, Agusan del Sur by virtue of the powers vested in me by law, do hereby order:

Section 1. **ORGANIZATION OF THE LOCAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL.** The LDRRMC is hereby organized and shall be composed of; but not limited to the following:

1. The Local Chief Executives, Chairperson;
2. The Local Planning and Development Officer, member;
3. The Head of the LDRRMO, member;
4. The Head of the Local Social Welfare and Development Office, member;
5. The Head of the Local Health Officer, member;
6. The Head of the Local Agriculture Office, member;
7. The Head of the Gender and Development Office, member;
8. The Head of the Local Engineering Office, member;
9. The Head of the Local Veterinary Office, member;
10. The Head of the Local Budget Office, member;
11. The Division Head/Superintendent of Schools of the DepEd, member;
12. The highest-ranking Officer of the Armed Forces of the Philippines (AFP) assigned in the area, member;
13. The Municipal Chief of the Philippine National Police (PNP), member;
14. The Municipal Fire Marshall of the Bureau of Fire Protection (BFP), member;
15. The President of the Association of Barangay Captains (ABC), member;
16. The Philippine National Red Cross (PNRC), member;
17. Four (4) accredited CSOs, members; and
18. One (1) private sector representative, member.

Section 2. The LDRRMCs shall have the following functions:

- (1) Approve, monitor and evaluate the implementation of the LDRRMPs and regularly review and test the plan consistent with other national and local planning programs;
- (2) Ensure the integration of disaster risk reduction and climate change adaptation into local development plans, programs and budgets as a strategy in sustainable development and poverty reduction;
- (3) Recommend the implementation of forced or preemptive evacuation of local residents, if necessary; and
- (4) Convene the local council once every three (3) months or as necessary.

Section 3. This Executive Order shall take effect immediately.

DISASTER OPERATIONS CENTER

II. Guide to Action

I Risk Assessment and Mapping

Yes	No	Risk Assessment and Mapping	Means of Verification (provide data)
✓		1.1 Flood-prone barangays identified	Ratio of flood-prone barangays (e.g., 10 out of 20 barangays) 8 out of 10
✓		1.2 Population and families at risk for flood identified	Ratio of population at risk 9 out of 100 Ratio of families at risk 9 out of 100
✓		1.3 Vulnerable or marginalized individuals identified (e.g., poor, elderly, women, children, or differently-abled persons, ethnic minorities)	Number of vulnerable or marginalized individuals 4,653 *TO BE VERIFIED
	✓	1.4 Identified community assets that are susceptible to the damaging effects of a flood, e.g., physical, social, economic, and environmental factors such as poor design and construction of buildings and inadequate protection of assets	Provide sample of a community asset identified at risk (state its nature and location) ASSESSMENT WILL BE CONDUCTED
✓		1.5 Hazard Map for Flood, available COINATE, EARTHQUAKE & LIQUIDATION MAPS	Write the source of map and date acquired MPPC/DEMR
	✓	1.6 Vulnerability maps, available, e.g., susceptible community assets, marginalized individuals	Write the source of map and date acquired TO BE SOURCED OUT FROM DEMR

Other Means of Verification Write the title(s) of source-document(s) used

- MPPC/DEMR

2 Institutionalized Planning and Budgeting

Yes	No	Institutionalized planning and budgeting	Means of Verification
✓		DRRM Plan, approved	Plan Title and Date Approved FIVE (5) YEAR MONTH PLAN APRIL 23, 2017
	✓	Contingency Plan for Flood, available	Plan Title and Date Approved TO BE 4 CHARACTERISTICS INCLUDED IN THE PLAN
✓		DRRM and Climate Change Adaptation activities funded in the Annual Budget	List at least two DRRM and/or CCA activities with corresponding amount 1. REFORESTATION OF HIGH RISK AREA - P 300,000 2. CONSTRUCTION, REPAIR & MAINT. OF DAMAGES CAUSED BY CALAMITY - 1,000,000

III. Disaster Preparedness

1 Technical Competency

1.1 Percentage of Emergency Response Teams trained (those that are created and trained by the provincial, city or municipal government)

☐ 100% ☐ 76-99% ☐ 51-75% ☒ 1-50% ☐ 0% or Unknown

Means of Verification

- No. of Emergency Response Teams created - 2
- No. of Emergency Response Teams trained - 2
- Activity Title and Date(s) conducted

4. Provide photos - ON FILE

1.2 Simulation exercise(s) conducted as part of the skills training for the Emergency Response Teams

☒ Yes ☐ No

Means of Verification - Photos of simulation exercises. Write location and date when the photo was taken

- PHOTOS ON FILE
- PROVINCE - SARAS / FIRE DRILL
- MUNICIPALITY - FIRE DRILL (M.B.F.A.)
- EARTHQUAKE DRILLS - SCHOOLS

1.3 Presence of a Guide for Emergency Response Teams, specifying protocols and duties and responsibilities

☒ Yes ☐ No

Means of Verification Write document title and date published, approved or adopted

FUNCTIONAL BUT NOT DOCUMENTED -

2. Community Awareness

2.1 Presence of a Flood Evacuation Guide for families

☒ Yes ☐ No

Means of Verification Write document title and date published or approved

FUNCTIONAL BUT NOT DOCUMENTED

2.2 If the answer to question 2.1 is Yes, determine the mode of dissemination

Yes	No	Mode of Dissemination	Means of Verification
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Radio	Write the name of radio station, radio program and date aired - 91.7 FM RAPID - KALIKASAN
<input type="checkbox"/>	<input type="checkbox"/>	Local T V Program	Write the name of T V station, program and date aired
<input type="checkbox"/>	<input type="checkbox"/>	Newspaper	Write the name of the newspaper and date published
<input type="checkbox"/>	<input type="checkbox"/>	Website	Write the URL or website address where the message is posted
<input type="checkbox"/>	<input type="checkbox"/>	Community orientation or distribution of the Guide to households	Write activity title and date conducted Provide photos

3 Contingency Planning

3.1 Early Warning System

3.1.1 Rain or water level gauges or visual markers, operational

☒ Yes ☐ No

If Yes, briefly describe the gauge or marker being used and state its location

MAN. AGUIC, OFFICE

3.1.2 Audio signaling devices, operational

Yes ☒ No ☐

If Yes, briefly describe the audio signaling device(s) being used

*- HANDHELD RADIO
- CELLPHONE*

3.2 Evacuation Alert System (this system gives an indication as to when the evacuation operation should take place. Rain or water gauge marker and audio devices are to use to give the signal. For example, level 1 on the marker for water level and three times honing of sirens are signs for evacuation)

Yes ☒ No ☐

If Yes, briefly describe the Evacuation Alert System adopted by the local government

*- HANDHELD RADIO
- CELLPHONE*

3.3 Local Policy on Forced or Pre-emptive Evacuation enacted

Yes ☒ No ☐

Means of Verification Write Sanggunian Resolution or Ordinance No., Title and Date

ORDINANCE NO. 0012 - 2010

3.4 Stockpiling and Equipping

3.4.1 Non-perishable goods and items (e.g., canned goods and beddings) for disaster are available in stock

Yes ☒ No ☐

3.4.2 Disaster equipage, available

Yes ☐ Partial ☒ No ☐

Note: If answer to question 3.4.2 is Partial or No, determine disaster equipage needed (refer to Attachment F). The list should only be accomplished by local governments which passed the Level 1 Assessment or got a Performance Index of "4"

Means of Verification Pictures of goods, items and disaster equipment taken. Indicate date when the picture was taken, and location of goods and equipment

- HMM's CONFERENCE ROOM - TEMPORARY
PENDING COMPLETION FOR PERMANENT STOCK
ROOM

IV. Partnership, Volunteerism and Innovation

1. Has the local government established partnership with other local governments and/or national governments for DRRM and emergency response purposes?

☒ Yes ☐ No

Means of Verification Write MOA or MOU Title and Date, and briefly explain areas of partnership

- NFA
* MED SUPPLY
* GROCERIES

2. Has the local government established partnership with Volunteer Groups, Civil Society, Business or Private Sector?

☒

Yes

☐

No

If Yes, list the names of groups, specify the Pledge of Commitment and date, and briefly explain areas of partnership

- ORGANIZED CVO
- BRGS. TAXOD
- BRGS. HEALTH WORKER
- BRGS. PEACE KEEPING TEAM
- TREND BUSINESS GROUP
- PEACE PHILL. - TREND CHAPTER
- TREND SHOOTERS CLUB
- TREND RIFERS CLUB
- GUARDIANS

Means of Verification: Publication of Pledge of Commitment and Partnership

- NOT PROPERLY DOCUMENTED BUT FUNCTIONAL
Has the local government initiated process of publishing on DOKEM as evidenced by
documentation, citations or award received?

☐

Yes

☒

No

Means of Verification: Write the words of citation, title of award and award giving body, and of article or report title where and when it is published

- PLEDGE, CRITERIA, AND GUIDELINES
TO BE FORMULATED

SEAL OF DISASTER PREPAREDNESS

--------------------------	--------------------------------------

"ORDINANCE NO. 0012 - 2010

**AN ORDINANCE CREATING THE LOCAL DISASTER RISK REDUCTION AND
MANAGEMENT OFFICE (LDRRMO)**

WHEREAS, Section 12 of Republic Act 10121 states:

Local Disaster Risk Reduction and Management Office (LDRRMO)

(a) There shall be established an LDRRMO in every province, city and municipality, and a Barangay Risk Reduction and Management Committee (BDRRMC) in every barangay which shall be responsible for setting the direction, development, implementation and coordination of disaster risk management programs within their territorial jurisdiction.

WHEREFORE, on motion by Hon. Edwin D. Demegillo and duly seconded by Hon. Julito M. Cabusas, be it

Enacted by the Sangguniang Bayan in Session assembled that:

SECTION 1. There shall be created a Local Disaster Risk Reduction and Management Office which shall be under the office of the Municipal Mayor and shall be initialized, organized and composed of a Disaster Risk Reduction and Management Officer (DRRMO) to be assisted by three (3) staff responsible for:

1. Administration and training
2. Research and planning and
3. Operations and working

SECTION 2. *Definition of Terms.* For purposes of this Ordinance, the following shall refer to:

(a) "*Adaptation*" - the adjustment in natural or human systems in response to actual or expected climatic stimuli or their effects, which

within a community, society or organization and can result in risk, or effects of a disaster. Capacity may include infrastructure and physical means, institutions, societal coping abilities, as well as human knowledge, skills and collective attributes such as social relationships, leadership and management. Capacity may also be described as capability.

(c) "*Civil Society Organizations*" Or "*CSOs*" - non-state actors whose aims are neither to generate profits nor to seek governing power. CSOs unite people to advance shared goals and interests. They have a presence in public life, expressing the interests and values of their members or others, and are based on ethical, cultural, scientific, religious or philanthropic considerations. CSOs include nongovernment organizations (NGOs), professional associations, foundations, independent research institutes, community-based organizations (CBOs), faith-based organizations, people's organizations, social movements, and labor unions.

(d) "*Climate Change*" - a change in climate that can't be identified by changes in the mean and/or variability of its properties and that persists for an extended period typically decades or longer, whether due to natural variability or as a result of human activity.

(e) "*Community-Based Disaster Risk Reduction and Management*" or "*CBDRRM*" - a process of disaster risk reduction and management in which at risk communities are actively engaged in the identification, analysis, treatment, monitoring and evaluation of disaster risks in order to reduce their vulnerabilities and enhance their capacities, and where the people are at the heart of decision-making and implementation of disaster risk reduction and management activities.

(f) "*Complex Emergency*" - a form of human-induced emergency in which the cause of the emergency as well as the assistance to the afflicted is complicated by intense level of political considerations.

(g) "*Contingency Planning*" - a management process that analyzes specific potential events or emerging situations that might threaten society or the environment and establishes arrangements in advance to enable timely, effective and appropriate responses to such events and situations.

(h) "*Disaster*" - a serious disruption of the functioning of a community or a society involving widespread human, material, economic or environmental losses and impacts, which exceeds the ability of the affected community or society to cope using its own resources. Disasters are often described as a result of the combination of: the exposure to a hazard; the conditions of vulnerability that are present; and insufficient capacity or measures to reduce or cope with the potential negative consequences. Disaster impacts may include loss of life, injury, disease and other negative effects on human, physical, mental and social well-being, together with damage to property, destruction of assets, loss of services, social and economic disruption and environmental degradation.1avvphi1

(i) "*Disaster Mitigation*" - the lessening or limitation of the adverse impacts of hazards and related disasters. Mitigation measures encompass engineering techniques and hazard-resistant construction as well as improved environmental policies and public awareness.

(j) "*Disaster Preparedness*" - the knowledge and capacities developed by governments, professional response and recovery organizations,

communities and individuals to effectively anticipate, respond to, and recover from, the Impacts of likely, imminent or current hazard events or conditions. Preparedness action is carried out within the context of disaster risk reduction and management and aims to build the capacities needed to efficiently manage all types of emergencies and achieve orderly transitions from response to sustained recovery. Preparedness is based on a sound analysis of disaster risk and good linkages with early warning systems, and includes such activities as contingency planning, stockpiling of equipment and supplies, the development of arrangements for coordination, evacuation and public information, and associated training and field exercises. These must be supported by formal institutional, legal and budgetary capacities.

(k) "*Disaster Prevention*" - the outright avoidance of adverse impacts of hazards and related disasters. It expresses the concept and intention to completely avoid potential adverse impacts through action taken in advance such as construction of dams or embankments that eliminate flood risks, land-use regulations that do not permit any settlement in high-risk zones, and seismic engineering designs that ensure the survival and function of a critical building in any likely earthquake.

(l) "*Disaster Response*" - the provision of emergency services and public assistance during or immediately after a disaster in order to save lives, reduce health impacts, ensure public safety and meet the basic subsistence needs of the people affected. Disaster response is predominantly focused on immediate and short-term needs and is sometimes called "disaster relief".

(m) "*Disaster Risk*" - the potential disaster losses in lives, health status, livelihood, assets and services, which could occur to a particular community or a Society over some specified future time period.

(n) "*Disaster Risk Reduction*" - the concept and practice of reducing disaster risks through systematic efforts to analyze and manage the causal factors of disasters, including through reduced exposures to hazards, lessened vulnerability of people and property, wise management of land and the environment, and improved preparedness for adverse events.

(o) "*Disaster Risk Reduction and Management*" - the systematic process of using administrative directives, organizations, and operational skills and capacities to implement strategies, policies and improved coping capacities in order to lessen the adverse impacts of hazards and the possibility of disaster. Prospective disaster risk reduction and management refers to risk reduction and management activities that address and seek to avoid the development of new or increased disaster risks, especially if risk reduction policies are not put in place.

(p) "*Disaster Risk Reduction and Management Information System*" - a specialized database which contains, among others, information on disasters and their human material, economic and environmental impact, risk assessment and mapping and vulnerable groups.

(q) "*Early Warning System*" - the set of capacities needed to generate and disseminate timely and meaningful warning information to enable individuals, communities and organizations threatened by a hazard to prepare and to act appropriately and in sufficient time to reduce the possibility of harm or loss. A people-centered early warning system necessarily comprises four (4) key elements: knowledge of the risks; monitoring, analysis and forecasting of the hazards; communication or dissemination of alerts and warnings; and local capabilities to respond to

also used to emphasize that warning systems need to span all steps from hazard detection to community response.

(r) "*Emergency*" - unforeseen or sudden occurrence, especially danger, demanding immediate action.

(s) "*Emergency Management*" - the organization and management of resources and responsibilities for addressing all aspects of emergencies, in particular preparedness, response and initial recovery steps.

(t) "*Exposure*" - the degree to which the elements at risk are likely to experience hazard events of different magnitudes.

(u) "*Geographic Information System*" - a database which contains, among others, geo-hazard assessments, information on climate change, and climate risk reduction and management.

(v) "*Hazard*" - a dangerous phenomenon, substance, human activity or condition that may cause loss of life, injury or other health impacts, property damage, loss of livelihood and services, social and economic disruption, or environmental damage.

(w) "*Land-Use Planning*" - the process undertaken by public authorities to identify, evaluate and decide on different options for the use of land, including consideration of long-term economic, social and environmental objectives and the implications for different communities and interest groups, and the subsequent formulation and promulgation of plans that describe the permitted or acceptable uses.

(x) "*Mitigation*" - structural and non-structural measures undertaken to limit the adverse impact of natural hazards, environmental degradation, and technological hazards and to ensure the ability of at-risk communities to address vulnerabilities aimed at minimizing the impact of disasters. Such measures include, but are not limited to, hazard-resistant construction and engineering works, the formulation and implementation of plans, programs, projects and activities, awareness raising, knowledge management, policies on land-use and resource management, as well as the enforcement of comprehensive land-use planning, building and safety standards, and legislation.

(y) "*National Disaster Risk Reduction and Management Framework*" or "*NDRRMF*" - provides for comprehensive, all hazards, multi-sectoral, inter-agency and community-based approach to disaster risk reduction and management.

(z) "*National Disaster Risk Reduction and Management Plan*" or "*NDRRMP*" - the document to be formulated and implemented by the Office of Civil Defense (OCD) that sets out goals and specific objectives for reducing disaster risks together with related actions to accomplish these objectives.

The NDRRMP shall provide for the identification of hazards, vulnerabilities and risks to be managed at the national level; disaster risk reduction and management approaches and strategies to be applied in managing said hazards and risks; agency roles, responsibilities and lines of authority at all government levels; and vertical and horizontal coordination of disaster risk reduction and management in the pre-disaster and post-disaster phases. It shall be in conformity with the NDRRMF.

(aa) "*Post-Disaster Recovery*" - the restoration and improvement where appropriate, of facilities, livelihood and living conditions of disaster-

accordance with the principles of "build back better".

(bb) "*Preparedness*" - pre-disaster actions and measures being undertaken within the context of disaster risk reduction and management and are based on sound risk analysis as well as pre-disaster activities to avert or minimize loss of life and property such as, but not limited to, community organizing, training, planning, equipping, stockpiling, hazard mapping, insuring of assets, and public information and education initiatives. This also includes the development/enhancement of an overall preparedness strategy, policy, institutional structure, warning and forecasting capabilities, and plans that define measures geared to help at-risk communities safeguard their lives and assets by being alert to hazards and taking appropriate action in the face of an Imminent threat or an actual disaster.

(cc) "*Private Sector*" - the key actor in the realm of the economy where the central social concern and process are the mutually beneficial production and distribution of goods and services to meet the physical needs of human beings. The private sector comprises private corporations, households and nonprofit institutions serving households.

(dd) "*Public Sector Employees*" - all persons in the civil service.

(ee) "*Rehabilitation*" - measures that ensure the ability of affected communities/areas to restore their normal level of functioning by rebuilding livelihood and damaged infrastructures and increasing the communities' organizational capacity.

(ff) "*Resilience*" - the ability of a system, community or society exposed to hazards to resist, absorb, accommodate and recover from the effects of a hazard in a timely and efficient manner, including through the preservation and restoration of its essential basic structures and functions.

(gg) "*Response*" - any concerted effort by two (2) or more agencies, public or private, to provide assistance or intervention during or immediately after a disaster to meet the life preservation and basic subsistence needs of those people affected and in the restoration of essential public activities and facilities.

(hh) "*Risk*" - the combination of the probability of an event and its negative consequences.

(ii) "*Risk Assessment*" - a methodology to determine the nature and extent of risk by analyzing potential hazards and evaluating existing conditions of vulnerability that together could potentially harm exposed people, property, services, livelihood and the environment on which they depend. Risk assessments with associated risk mapping include: a review of the technical characteristics of hazards such as their location, intensity, frequency and probability; the analysis of exposure and vulnerability including the physical, social, health, economic and environmental dimensions; and the evaluation of the effectiveness of prevailing and alternative coping capacities in respect to likely risk scenarios.

(jj) "*Risk Management*" - the systematic approach and practice of managing uncertainty to minimize potential harm and loss. It comprises risk assessment and analysis, and the implementation of strategies and specific actions to control, reduce and transfer risks. It is widely practiced by organizations to minimize risk in investment decisions and to address operational risks such as those of business disruption, production failure,

environmental damage, social impacts and damage from fire and natural hazards.

(kk) "*Risk Transfer*" - the process of formally or informally shifting the financial consequences of particular risks from one party to another whereby a household, community, enterprise or state authority will obtain resources from the other party after a disaster occurs, in exchange for ongoing or compensatory social or financial benefits provided to that other party.

(ll) "*State of Calamity*" - a condition involving mass casualty and/or major damages to property, disruption of means of livelihoods, roads and normal way of life of people in the affected areas as a result of the occurrence of natural or human-induced hazard.

(mm) "*Sustainable Development*" - development that meets the needs of the present without compromising the ability of future generations to meet their own needs. It contains within it two (2) key concepts: (1) the concept of "needs", in particular, the essential needs of the world's poor, to which overriding priority should be given; and (2) the idea of limitations imposed by the state of technology and social organizations on the environment's ability to meet present and future needs. It is the harmonious integration of a sound and viable economy, responsible governance, social cohesion and harmony, and ecological integrity to ensure that human development now and through future generations is a life-enhancing process.

(nn) "*Vulnerability*" - the characteristics and circumstances of a community, system or asset that make it susceptible to the damaging effects of a hazard. Vulnerability may arise from various physical, social, economic, and environmental factors such as poor design and construction of buildings, inadequate protection of assets, lack of public information and awareness, limited official recognition of risks and preparedness measures, and disregard for wise environmental management.

(oo) "*Vulnerable and Marginalized Groups*" - those that face higher exposure to disaster risk and poverty including, but not limited to, women, children, elderly, differently-abled people, and ethnic minorities.

SECTION 3. *Organization at the Local Government Level.* - The existing Provincial, City, and Municipal Disaster Coordinating Councils shall henceforth be known as the Provincial, City, and Municipal Disaster Risk Reduction and Management Councils. The Barangay Disaster Coordinating Councils shall cease to exist and its powers and functions shall henceforth be assumed by the existing Barangay Development Councils (BDCs) which shall serve as the LDRRMCs in every barangay.

(a) Composition: The LDRRMC shall be composed of, but not limited to, the following:

- (1) The Local Chief Executives, Chairperson;
- (2) The Local Planning and Development Officer, member;
- (3) The Head of the LDRRMO, member;
- (4) The Head of the Local Social Welfare and Development Office, member;
- (5) The Head of the Local Health Office, member.

- (6) The Head of the Local Agriculture Office, member;
- (7) The Head of the Gender and Development Office, member;
- (8) The Head of the Local Engineering Office, member;
- (9) The Head of the Local Veterinary Office, member;
- (10) The Head of the Local Budget Office, member;
- (11) The Division Head/Superintendent of Schools of the DepED, member;
- (12) The highest-ranking officer of the Armed Forces of the Philippines (AFP) assigned in the area, member;
- (13) The Provincial Director/City/Municipal Chief of the Philippine National Police (PNP), member;
- (14) The Provincial Director/City/ Municipal Fire Marshall of the Bureau of Fire Protection (BFP), member;
- (15) The President of the Association of Barangay Captains (ABC), member;
- (16) The Philippine National Red Cross (PNRC), member;
- (17) Four (4) accredited CSOs, members; and
- (18) One (1) private sector representative, member.

(b) The LDRRMCs shall have the following functions:

- (1) Approve, monitor and evaluate the implementation of the LDRRMPs and regularly review and test the plan consistent with other national and local planning programs;
- (2) Ensure the integration of disaster risk reduction and climate change adaptation into local development plans, programs and budgets as a strategy in sustainable development and poverty reduction;
- (3) Recommend the implementation of forced or pre-emptive evacuation of local residents, if necessary; and
- (4) Convene the local council once every three (3) months or as necessary.

SECTION 4. The Municipal Disaster Risk Reduction and Management Office (DRRMO) shall perform the following function with impartiality given the emerging challenges brought by disaster of our times.

- (1) Design, program, and coordinate disaster risk reduction and management activities consistent with the National Council's standards and guidelines;
- (2) Facilitate and support risk assessments and contingency planning activities at the local level;

- (3) Consolidate local disaster risk information which includes natural hazards, vulnerabilities, and climate change risks, and maintain a local risk map;
- (4) Organize and conduct training, orientation, and knowledge management activities on disaster risk reduction and management at the local level;
- (5) Operate a multi-hazard early warning system, linked to disaster risk reduction to provide accurate and timely advice to national or local emergency response organizations and to the general public, through diverse mass media, particularly radio, landline communications, and technologies for communication within rural communities;
- (6) Formulate and implement a comprehensive and - integrated LDRRMP in accordance with the national, regional and provincial framework, and policies on disaster risk reduction in close coordination with the local development councils (LDCs);
- (7) Prepare and submit to the local sanggunian through the LDRRMC and the LDC the annual LDRRMO Plan and budget, the proposed programming of the LDRRMF, other dedicated disaster risk reduction and management resources, and other regular funding source/s and budgetary support of the LDRRMO/BDRRMC;
- (8) Conduct continuous disaster monitoring and mobilize instrumentalities and entities of the LGUs, CSOs, private groups and organized volunteers, to utilize their facilities and resources for the protection and preservation of life and properties during emergencies in accordance with existing policies and procedures;
- (9) Identify, assess and manage the hazards vulnerabilities and risks that may occur in their locality;
- (10) Disseminate information and raise public awareness about those hazards, vulnerabilities and risks, their nature, effects, early warning signs and counter-measures;
- (11) Identify and implement cost-effective risk reduction measures/strategies;
- (12) Maintain a database of human resource, equipment, directories, and location of critical infrastructures and their capacities such as hospitals and evacuation centers;
- (13) Develop, strengthen and operationalize mechanisms for partnership or networking with the private sector, CSOs, and volunteer groups;
- (14) Take all necessary steps on a continuing basis to maintain, provide, or arrange the provision of, or to otherwise make available, suitably-trained and competent personnel for effective civil defense and disaster risk reduction and management in its area;
- (15) Organize, train, equip and supervise the local emergency response teams and the ACDV s, ensuring that humanitarian aid workers are equipped with basic skills to assist mothers to breastfeed;

(16) Respond to and manage the adverse effects of emergencies and carry out recovery activities in the affected area, ensuring that there is an efficient mechanism for immediate delivery of food, shelter and medical supplies for women and children, endeavor to create a special place where internally-displaced mothers can find help with breastfeeding, feed and care for their babies and give support to each other;

(17) Within its area, promote and raise public awareness of and compliance with this Act and legislative provisions relevant to the purpose of this Act;

(18) Serve as the secretariat and executive arm of the LDRRMC;

(19) Coordinate other disaster risk reduction and management activities;

(20) Establish linkage/network with other LGUs for disaster risk reduction and emergency response purposes;

(21) Recommend through the LDRRMC the enactment of local ordinances consistent with the requirements of this Act;

(22) Implement policies, approved plans and programs of the LDRRMC consistent with the policies and guidelines laid down in this Act;

(23) Establish a Provincial/City/Municipal/Barangay Disaster Risk Reduction and Management Operations Center;

(24) Prepare and submit, through the LDRRMC and the LDC, the report on the utilization of the LDRRMF and other dedicated disaster risk reduction and management resources to the local Commission on Audit (COA), copy furnished the regional director of the OCD and the Local Government Operations Officer of the DILG; and

SECTION 5. *Prohibited Acts.* Any persons, group or corporation who commits any of the following prohibited acts shall be held liable and be subjected as prescribed in Section 6 of this ordinance.

(a) Dereliction of duties which leads to destruction, loss of lives, critical damage of facilities and misuse of funds;

(b) Preventing the entry and distribution of relief goods in disaster-stricken areas, including appropriate technology, tools, equipment, accessories, disaster teams/experts;

(c) Buying, for consumption or resale, from disaster relief agencies any relief goods, equipment or other and commodities which are intended for distribution to disaster affected communities;

(d) Buying, for consumption or resale, from the recipient disaster affected persons any relief goods, equipment or other aid commodities received by them;

(e) Selling of relief goods, equipment or other aid commodities which are intended for distribution to disaster victims;

"RESOLUTION NO. 0135 - 2012

**RESOLUTION ADOPTING MDRRMC RESOLUTION NO. 2, SERIES OF
2012, "RESOLUTION APPROVING THE 5-YEAR MUNICIPAL DISASTER RISK
REDUCTION AND MANAGEMENT PLAN (MDRRMP) - 2012-2016 OF THE
MUNICIPALITY OF TRENTO, AGUSAN DEL SUR**

WHEREAS, Section II, par. b (1) of RA 10121 provides for the power of the MDRRMC
to formulate and approve MDRRMPs;

WHEREAS, the MDRRMC of the municipality of Trento has promulgated an approved
5-year MDRRM plan from 2012 to 2016;

WHEREAS, after thorough deliberation it is found to be aligned with municipal
development goals;

WHEREFORE, upon motion by Hon. Edwin D. Demegillo and jointly seconded by Hon.
Ludy A. Andale and Hon. Pedro L. Mordeno, be it

RESOLVED As It Is Hereby resolved to adopt MDRRMC Resolution No. 2, Series of
2012, "Resolution Approving the 5-year Municipal Disaster Risk Reduction
And Management Plan (MDRRMP) - 2012-2016 of the Municipality of
Trento, Agusan Del Sur

RESOLVED FURTHER that copies of this resolution be furnished to the parties
concerned for their ready reference, guidance, information and
appropriate action.

UNANIMOUSLY APPROVED."

I hereby certify to the correctness of the above-quoted resolution.

Resolution No. 02

Series of 2012

" RESOLUTION APPROVING THE 5-YEAR MUNICIPAL DISASTER RISK REDUCTION AND MANAGEMENT PLAN (MDRRMP) - 2012-2016 OF THE MUNICIPALITY OF TRENTO, AGUSAN DEL SUR."

WHEREAS, the Republic Act 10121, otherwise known as the Philippine Disaster Risk Reduction and Management Act of 2010, the local government unit has mandated to develop, promote and implement a comprehensive Local Disaster Risk Reduction and Management Plan (LDRRMP);

WHEREAS, the Municipal Disaster Risk Reduction and Management Council (MDRRMC) has conducted workshops and series of meetings for the formulation of the plan;

WHEREAS, the plan aims to strengthen the capacity of the local government unit together with the partner stakeholders to build the disaster resilience of communities and to institutionalize arrangement and measures for reducing risks, and enhancing disaster preparedness and response capability;

WHEREAS, upon tedious deliberations in the prioritization of the programs, projects and activities, the Municipal Disaster Risk Reduction and Management Council (MDRRMC) has come up with a comprehensive Municipal Disaster Risk Reduction and Management Plan 2012-2016;

NOW, THEREFORE, on motion of Ms. Teresita Canas, MSWD Officer, duly seconded by Ms. Ludivina Cornella, MENRO, be it –

RESOLVED, as it is hereby resolved to approve the 5-year Municipal Disaster Risk Reduction and Management Plan 2012-2016 of the Municipality of Trento, Agusan del Sur;

RESOLVED FURTHER, the copies of the resolution be furnished to Sangguniang Bayan Members, this municipality for adoption.

APPROVED UNANIMOUSLY, APRIL 23, 2012

I HEREBY CERTIFY to the correctness of the foregoing resolution.

MEMORANDUM ORDER
Series of 2012

January 24, 2012

TO : MR. VIRGILIO V. DELA CRUZ
Agricultural Technologist
This municipality

FROM : THIS OFFICE

SUBJECT : DESIGNATION AS LOCAL DISASTER RISK REDUCTION AND
MANAGEMENT OFFICER

In the exigency of public service and in addition to your present function as Agricultural Technologist, you are hereby designated as **Local Disaster Risk Reduction and Management Officer (LDRRMO)** without any additional compensation.

As such, you are directed to perform and be guided with the LDRRM stipulated functions pursuant to the provisions of **R.A. 10121** or also known as the **"Philippine Disaster Risk Reduction and Management Act of 2010"**.

While the construction of the LDRRM Office is on process, you are advised to stay at your present office assignment, be **"on-call"**, if necessary, and act on your mandated LDRRM functions accordingly.

Further, any progress or problem encountered while in the performance of duty shall be reported to this office directly.

This order takes effect immediately and remains enforce until revoked by the undersigned.

For strict compliance

January 5, 2011

Honorable JohnMark C. Billanes
Municipal Mayor
Municipality of Trento
Province of Agusan del Sur

Dear Honorable Mayor Billanes,

In view of the recent catastrophic event that happened during the passage of Tropical Storm Sendong, the Office is bound to reiterate a review of the geohazard reports and findings duly furnished to your end and institute the necessary vigilance, preparedness and mitigating measures for the safety of residents living in areas that had been identified as prone to rain-induced landslides and floods during inclement weather condition.

In particular, settlement areas near foot of steep slopes especially those with historic landslide occurrence and presence of tension cracks and other signs of slope instability should be vacated. Likewise, settlement areas frequently experiencing high magnitude sheet floods, near actively eroding river banks and mouth of dynamic rivers and creeks prone to upstream landslide damming and flashfloods should be identified and pre-emptive evacuation activated.

Some pre-disaster proactive and practical measures recommended include the standard procedure of convening the City/Municipal Disaster Risk Reduction and Management Council based on the latest weather bulletin issued by PAGASA, installation of signages and early warning devices, establishment of an effective communication scheme, organization of disaster risk reduction team at the barangay level, contingency planning for emergency, and identification of suitable evacuation and relocation sites. Routine de-clogging of culverts/drainage system and clearing/deepening of silted river and creek channels should likewise be undertaken to mitigate effects of torrent or flashfloods.

As the tragedy in Cagayan de Oro and Iligan City had shown us, construction of new settlement centers in landslide and flood-prone areas should be strictly prohibited and existing settlement centers in critical or danger zone/ high risk- areas subject to relocation.

Based on the geohazard mapping and assessment undertaken by the Office during the previous years, the following barangays or portions thereof under your area of jurisdiction were identified as being highly susceptible or prone to landslides and floods. The list is continually being updated by the Office with the on-going 1:10,000 geohazard mapping and assessment project, a component of the banner program of the present administration aimed at disaster risk reduction and management. The LGU is also encouraged to conduct their own preliminary hazard, vulnerability and risk profiling based on historical and experiential knowledge of the local situation in their respective area.

Very truly yours,

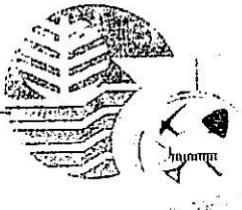

ALIO C. ENSOMO, JR.
Regional Director

December 9, 2011

Honorable JohnMark C. Billanes
Municipal Mayor
Municipality of Trento
Agusan del Sur

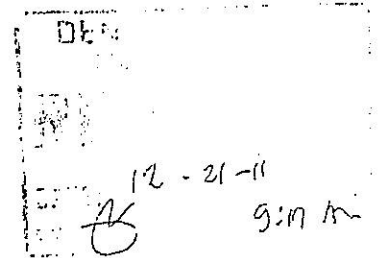

Dear **Honorable Mayor Billanes**,

In view of the of the rainy season that is expected to be experienced in the whole Caraga Region, during this month of December to February 2012, we are re-furnishing your end, copies of the rapid geohazard assessment report conducted by our Office during the previous calendar years. The said executive summary report for each municipality within Caraga Region XIII highlights the assessed barangays per municipality/city in your respective area of jurisdiction with particular emphasis on the corresponding landslide and flood hazard susceptibility rating and list of recommendations as preparedness and mitigating measures.

In this regard and as part of our task to protect the lives of our respective constituents, we encourage each LGU level to adopt necessary precautionary and preparedness measures especially for those barangays or specific sitio/purok having been identified by the Office as having a high to moderate landslide and flood risk rating.

In as much as we cannot cover a greater area even, if we really want to, especially during times of adverse weather condition, activation of the Disaster Coordinating Council at the city, municipal and barangay level is deemed the best and most practical solution to address and prevent any impending hazard from being a disaster. During the conduct of the rapid assessment by our Office, a landslide threat and advisory letter was duly served to each barangays covered indicating the relative susceptibility to landslide, flood, as well as other geohazards which have the potential to affect the area. A list of preparedness and mitigating measures were also listed as part of the letter.

In this regard, we are recommending for a review of the executive summary report herein attached and the conduct of special meetings or information dissemination at the municipal down to the barangay level to re-iterate and formulate prompt

preparedness measures, including warning and alertness systems, evacuation schemes, and identification of safe evacuation sites during times of heavy and continuous rainfall.

We look forward to being partners in disaster risk reduction for the benefit and protection of the community.

Very truly yours,

BY THE AUTHORITY OF THE
REGIONAL DIRECTOR :

ROMEO M. DALODADO
Chief, Geosciences Division
Officer, In-charge

GSD-11-12Ghz-64

RESULTS OF THE MGB RAPID FIELD ASSESSMENT OF LANDSLIDE PRONE BARANGAYS IN TRENTO, AGUSAN DEL SUR

In line with the recent Presidential Directive and NDCC resolutions following the February 17 Southern Leyte landslide incident, and the need to fast track the geohazards mapping program along the eastern seaboard of the Philippines, five (5) geologists from the Mines and Geosciences Bureau Central/ Regional Office conducted a rapid field assessment of landslide prone barangays in Trento, Agusan del Sur on July 8-9, 2006.

The rapid field assessment focused on barangays that are located on foot slopes, mid slopes and mountain ridges. Each barangay was rated with either low, moderate or high landslide susceptibility. The rating parameters are as follows:

High

- Presence of active and/ or recent landslides
- Presence of numerous and large tension cracks that would directly affect the community
- Areas with drainages that are prone to landslides damming
- Steep slopes
- Nearness to faults

Moderate

- Areas with indicative and/or old landslides
- Presence of small tension cracks and are located away from the community
- Moderate slopes

Low

- Low to gently sloping
- Absence of tension cracks

The rating of each barangay generally refers to the barangay proper since majority of the population is located there.

Of the sixteen (16) barangays assessed in Trento, one (1) barangay or portions thereof were found to be located on and/or near slopes and have the potential for landslide occurrence. These barangays were presented with a *Landslide Threat Advisory* when appropriate. The Advisory informs the barangays of their susceptibility to landslides and have the corresponding recommendations particular to the barangay. The rest of the barangays were assessed for their flood susceptibility.

The result of the MGB Rapid Field Assessment is as follows:

- There is one (1) barangay with moderate landslide susceptibility.
- There are six (6) barangays with low landslide susceptibility.
- The rest of the barangays in the municipality have no landslide susceptibility but have varying degrees of susceptibility to flooding.

Summary of Assessment of the Municipality of Trento

Barangay	Landslide Susceptibility Rating	Recommendations
1. Pangyan	High	Monitor progress and observe for new presence of mass movement (e.g. landslides, tension cracks). Develop an early warning device/system. Identify evacuation site. Other hazard present is the flooding of Pangyan Creek.
2. Salvacion	Moderate	Monitor progress and observe for new presence of mass movement (e.g. landslides, tension cracks).
3. Sta. Maria	Low	Observe for presence of mass movement (e.g. landslides, tension cracks).
4. San Ignacio	Low	Observe for rapid increase/decrease in creek/river water levels, possibly accompanied by increased turbidity (soil content). Other hazard present is the flooding of Simulao & Batingaw Rivers.
5. Pulang Lupa	Low	Observe for rapid increase/decrease in creek/river water levels, possibly accompanied by increased turbidity (soil content). Other hazard present is Magalibobo Creek flooding.
6. Langkilaan	Low	Observe for rapid increase/decrease in creek/river water levels, possibly accompanied by increased turbidity (soil content). Other hazard present is the flooding of Langkilaan River.
7. New Visayas	Low	Observe for rapid increase/decrease in creek/river water levels, possibly accompanied by increased turbidity (soil content). Other hazard present is the flooding of Maitum Creek
8. Cebolin	Low	
9. San Roque	None	
10. Cuevas	None	It should be noted that Purok Everlasting has a low susceptibility to landslides.
11. Basa	None	
12. Tudela	None	

13. Manat	None	
14. Kapatungan	None	
15. Poblacion	None	
16. San Isidro	None	

It should be noted that these susceptibility ratings were arrived at as of this field assessment. However the rating could advance (e.g. from low to moderate, and the moderate to high) as the mass movement e.g. tension cracks progresses. Hence, the MGB constantly recommends strict and continuous monitoring by the barangays.

ACCOMPLISHMENT REPORT
TRENTO FIRE STATION
March 2012

PROGRAMS

➤ **Fire Prevention Month Kick-off Ceremony (1 March 2012)**

The first stepping stone towards the successful Fire Prevention Month Celebration is the establishing of a Kick-off Ceremony. The kick-off ceremony would depend on the strategies and creativeness of a Fire Marshal. That's the way how it goes. But for the Trento Fire Station, their acting Municipal Fire Marshal SFO1 Dindo V Burnea would never make his station behind. Aside from his creativeness and eminent strategies, his resourcefulness brings a limitless momentum in doing the kick-off ceremony well. (see Annex 1 to 2)

This picture was taken on the 1st day of March 2012 when acting Municipal Fire Marshal SFO1 Dindo V Burnea (right side- in type A GOA uniform) provided a short guidance on his subordinates and volunteers before the motorcade parade started.

Annex 1

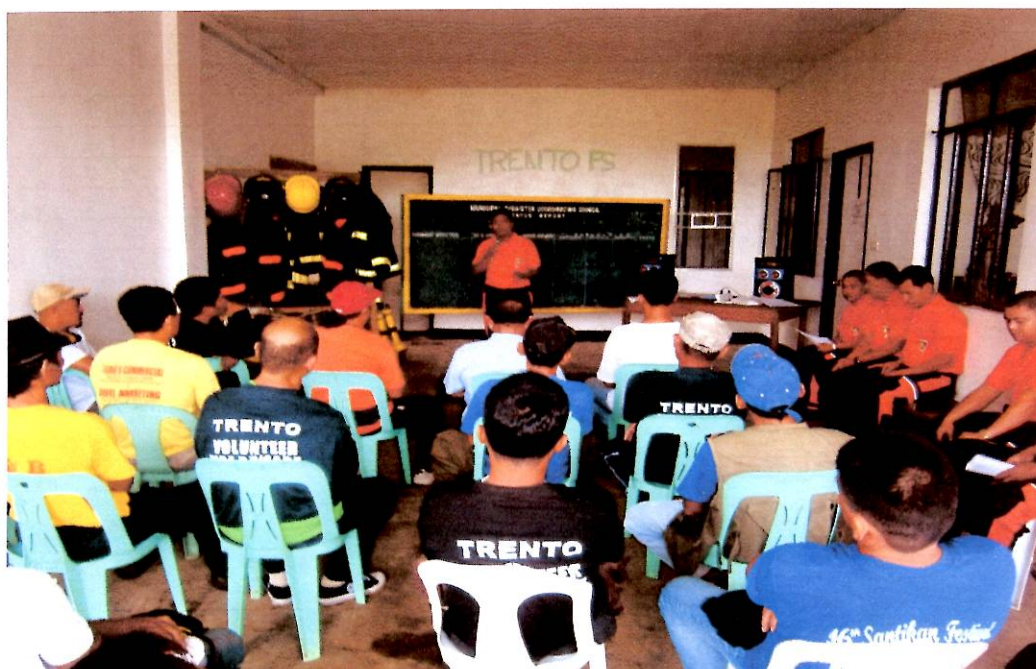

The actual Fire Prevention Month motorcade parade with the full support of Acting Municipal Fire Marshal SFO1 Dindo V Burnea (seated at the front seat).

Annex 2

➤ Fire Volunteer Brigade Seminar and Training (6 March 2012)

We all know that the strength of Bureau of Fire Protection is lesser than the other uniformed organization. To augment the strength of Trento Fire Station, the acting Municipal Fire Marshal SFO1 Dindo V Burnea took initiative to train and educate the Fire Volunteer Brigade. (see Annex 3, 4, 5, and 6)

Acting Municipal Fire Marshal SFO1 Dindo V Burnea was emphasizing the significance of the said seminar and training.

Annex 3

FO1 Gregg S Rabe was gaining a rapport with the fire volunteers while sharing an insight about his topic.

Annex 4

Acting Municipal Fire Marshal SFO1 Dindo V Burnea (third) was instilling to the fire volunteers the proper holding of nozzle.

Annex 5

FO2 Raul S Peñaloga (wearing type B delta uniform) was facilitating the hose relay.
Annex 6

➤ **Poster-making Contest (14 March 2012)**

The poster-making contest helps the youth away from vices. This is the way to support their interest towards art. Poster-making is not merely for the art skilled student but for the depicting of self-awareness. To illustrate, it is the way how the artist depicts their feelings and how to conceal it by making his/her masterpiece an abstract.

To reckon the fire prevention awareness of the youth, the Trento Fire Station conducted a poster-making contest which targeting the high school level only from private and public schools such as Father Saturnino Urios College of Trento Inc., Trento National High School, Kapatungan National high School, Cuevas National High School, and Pulang-lupa National High School (see Annex 7). Fortunately, the activity was graced with fourteen (14) participants with one judge guest Municipal Administrator Alberto M. Salas (see Annex 8). Upon the deliberation of the three judges such as Municipal Administrator Alberto M. Salas, Acting Municipal Fire Marshal SFO1 Dindo V Burnea, and Station Administrator FO2 Jorbert C Nujapa, the lucky winners are Jamie Leah L. Gubaten (1st prize) FSUCTI student, Relmar M. Betonio (2nd prize) Pulang-lupa National High School student, and Jan Ace A. Mordeno (3rd prize) FSUCTI student (see Annex 9).

*In the middle of the competition at the Trento Fire Station
Annex 7*

FO2 Jorbert C Nujapa was emphasizing the Theme Slogan: "Makiisa, Makialam, at Makipagtulungan upang Sunog ay Maiwasan"
